

Restoration and Renovation

Quality work we can both be proud of.

Paintworks is a small workforce operating in Cambridge and the surrounding areas who will restore and decorate your property to a high quality finish. Using only quality materials and expertise from the manufacturers, we can achieve the best results for you - **the customer**.

We have more than 30 years experience in improving both commercial and domestic properties, old or new. We will give you a professional and personal service and the best possible advice, and we are fully insured and will guarantee all work carried out.
